ASSIGNMENT

You will be creating a book that documents the process of learning typography.

Each week will be dedicated to one chapter in which you will learn a pertinent set of skills in the pursuit of mastering the craft of typography.

You must print and bind the book—using either the NMA lab facilities or outsourcing the job to a vendor for production.

Turn in the following:

- **High-quality PDF**

On the project due date, you will upload a high-quality PDF to the designated Google Drive. Save your PDF in spreads—no bleed, no crop marks.

- **Bound Book**

Before the end of the semester, you will bring your book to class for a one-to-one review.
